**Did you know . . .**

. . . that the Texas Agricultural Education & Heritage Center, now in its eighth year of existence, has become one of the busiest gathering places in Guadalupe County? In the last year, we hosted civic clubs, weddings, workshops, board meetings, staff trainings, Scout meetings, school classes, birthday and anniversary parties, reunions, Service Clubs, receptions and business meetings, to name just some of them. *The word is out.* The Ag Center brings in people to meet, to browse, and to learn while they visit.

**Looking back . . .**

In the last year, the village's Heinemeyer General Store has been restored to look much as it did on its last business day. The 60-foot Extension of the main building has been completed and filled with exhibits, and the shell of Zion Church now rests at the rural village.

**Looking Forward . . .**

The Board of the Ag Center is looking forward to a full new year. We will be raising the funds to restore Zion Church, moving the Campbell Family Log Cabin on the premises, creating of the World's Largest Pecan, and restoring a Gazebo for the Village Center.

**Keep your eyes peeled for more new things!**

## 2010 REPORT

**Volunteers,  
You make it happen!**

You know who you are. You are the ones whose skill, strength, imagination and generosity have built the Ag Center and make it hum with activity. Volunteers bring history alive, and solve the mysteries of agriculture when the Ag Center is full of school children, as in recent weeks when over 2000 fourth graders from seven counties swarmed the Center with their teachers and parents.

You do it all again when the Center is filled with visitors from our community during our annual celebrations of Ag Festival, Country Christmas, Pecan Fest & Heritage Days, and Ag Fair . . . Your wisdom, understanding and care, your gifts of talent, time and treasure fill us all with gratitude. With your help, we continue to live up to our responsibilities to future generations.

*Thank you!*
